

Hello neighbors,

The HOA held two meetings recently. The first one was a Special Meeting requested by Kelliwood Gardens and Enclave homeowners to remove the HOA Directors for these sections. The second meeting was the scheduled quarterly Kelliwood Fund Board of Directors meeting, where the board appointed new Directors for these sections: Kerri Schultz for Kelliwood Gardens and Ronnie Hill for Kelliwood Enclave. Kerri and Ronnie look forward to helping our residents and committees plan and implement our goals for our Kelliwood sections.

In other news, Kelliwood Place just completed a landscaping make-over for its entrance on Highland Knolls. The entrance already looks fabulous and we can't wait to see it in full bloom. Thank you Raul Tagle and Kirsten Williams from the Landscaping Committee for your hard work in making this make-over a reality. We look forward to your work on the other entrances.

We hope that you were able to make it to the Easter Egg Hunt organized by the Social Committee and the sponsored by the Kelliwood Killer Whales Swim Team. It was a fun event for the kids and grown-ups alike. Thank you Jackie Lopez, the Social Committee members and Swim Team.

The other committees have also been hard at work. We encourage everyone to join one of the committees and participate in making our neighborhood more beautiful, safe and enjoyable. Here is the list of the committees available:

- Facilities
- Safety & Security
- Architectural review (ARC)
- Social
- Landscaping
- Communications
- Decorations

To find out more information about the committees or to join, simply reply to this email with your interest and we will put you in touch with the committee.

Finally, swim season is about to start. [Click here](#) for pool hours and pool access information. The Kelliwood Killer Whales Swim team\* is now accepting registrations at <https://kelliwoodswimteam.swimtopia.com>.
